# Music Hall Screen Offers 'I Loved You Wednesday'-Drama and Movie Events

### The Screen

By MARTIN DICKSTEIN

'I Loved You Wednesday,' With Elissa Landi, Becomes. a Talkie of Better Than Average Merit

at the Music Hall

"And if I loved you Wednesday," goes the old saying, "what is that to you? I do not love you Thursday-so much is true." From that meaningful passage the new talkie at the Music Hall, "I Loved You Wednesday," takes its name, and it is its pointed philosophy which guides the heroine of this Fox production along a thorny romantic road.

"I Loved You Wednesday," as you probably recall, was originally a stage play by Molly Ricardel and William DuBois. As a play it wasn't bad, and now in its screen version it represents something better than the average program picture, although it does lack some of the smartness of its stage predecessor. 4-

To tell the story as briefly as pos- talkie version of "I Loved You sible, it has to do with an attractive Wednesday" with a fine appreciayoung dancer in Paris whose illu- tion for the story's pictorial possi-Paris with him. But Vicki decides not to go, to stay and marry her

Wednesday; on Thursday she no longer loved him-so much was sure. It is not, of course, a new movie ldea. Yet it has been treated with the smartness of the original stage production has somehow been lost stage director now with Paramount on its journey to the screen, "I Loved Pictures, have formed a new pro-- ains a talkie that manages to be superior to the customary run-of-
